

SANTA CLARITA SCHOOL OF DENTAL ASSISTING

Your dental career starts here!

Hands-on training • Small class sizes •
Local job networking

Fast, Affordable, Job-Ready!

Not sure what to do after
high school?

Dental assisting is a hands-on career that lets you work in healthcare without years of school. At SCSDA, you can be trained and job-ready in just 12 weeks.

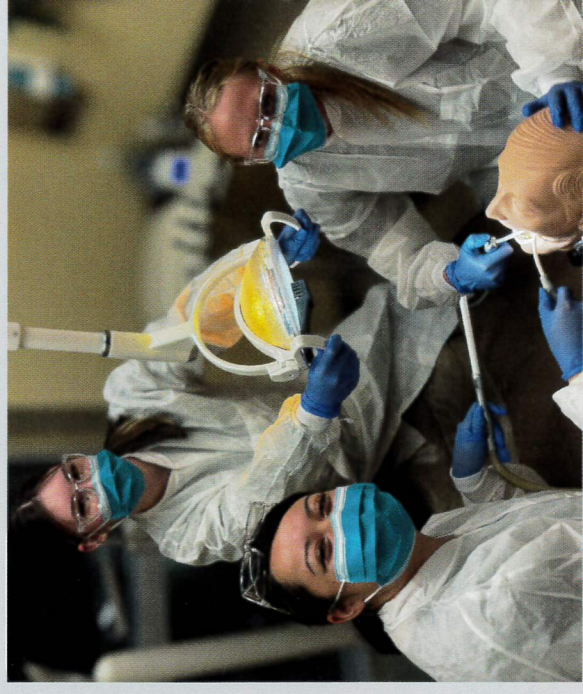

Why Students Choose SCSDA:

- No prior experience or degree required
- Affordable tuition and payment plans
- Industry-recognized certifications
- Hands-on training in real dental settings
- Evening classes, 2 nights per week
- Job networking assistance after graduation
- Strong resume booster for dental, medical, or nursing programs

ABOUT US

Santa Clarita School of Dental Assisting has been training future dental professionals for over 20 years. We offer a California State Board-certified dental assisting program designed to help students gain real-world skills quickly and confidently.

Our 12-week program combines hands-on instruction, small class sizes, and industry-recognized certifications to prepare students for immediate employment in dental offices. No prior experience is required, making this an accessible and direct path into the dental field.
